

We are pleased to announce that the U.S. Coast Guard is partnering with The Baltimore Nighthawks for a second year! Our goal is to provide a safe and productive environment that enables women to learn and apply the principles of teamwork, discipline, dedication, and sportsmanship. The Baltimore Nighthawks facilitate the development of strength and character in everyone that participates. These aligns perfectly with the goals of the United States Coast Guard and the opportunities a career in the USCG can provide

Tanya Bryan, CEO of the Baltimore Nighthawks said: “We are excited to continue this venture with the U.S. Coast Guard in Baltimore for 2020. Both our organizations are focused on providing opportunities. Having a partner like the Coast Guard who is committed to creating new opportunities for diverse groups is motivating. We look forward to sharing the Coast Guard mission with even more of our fans, friends and family members as well as the local communities we live in and support.”

The U.S. Coast Guard is a unique branch of the military responsible for an array of maritime duties, from ensuring safe and lawful commerce to performing rescue missions in severe conditions. Nearly 42,000 men and women are actively serving in the Coast Guard to defend America’s borders and protect the maritime environment.
